Active Web Group's (AWG's) Social Media Campaigns have the potential to drastically benefit businesses of all types and sizes by boosting brand awareness, relevant website visitors, online sales and quality followers.

Increase Conversions, Website Traffic and Fans

AWG's Social Media Campaigns have the ability to benefit businesses of all types and sizes by raising brand awareness, maintaining reputations, boosting quality website visitors, and increasing online conversions. If you're not effectively utilizing any of the above social media platforms, your business is missing out on some serious sales potential.

Facebook: As of 2017, Facebook announced it had over 2.2 Billion active users. Regardless of your industry, you can count on at least some of your customers using Facebook. So why isn't your business? Facebook's Advertising Platform collects extensive data to ensure skilled professionals can reach customers at a low cost. Large audiences + effective advertising networks result in more ROI for your business. Campaigns can be optimized for brand awareness, website clicks, e-commerce sales, and much more.

Twitter: Twitter is a great way to get the word about your business. Spread awareness for your brand by sharing the latest company updates and engaging with trending topics pertaining to your industry. Tweets should be frequent with #hashtags to stay current and maximize post potential.

Pinterest: Leveraging some Pinterest power is an excellent way to showcase your brand and products. Unleash the potential to visually captivate a targeted sales audience with your product to increase sales for your e-commerce site.

LinkedIn: Just as professionals have a LinkedIn profile, every reputable business should have a LinkedIn account for users to follow. Post what's happening in your company, such as exciting new products, clients, job opportunities, and more.

Instagram: Show your audience what your brand stands for, don't tell them. With more online users shifting to smart phones every year, Instagram has become a top visual social platform. Users can reach massive audiences when implementing effective #hashtag strategies.

Google+: According to Forbes online, every marketer should be using Google+. Why? It has more users than most people think. It has the potential to build a valuable follower base and more importantly, generates much more brand engagement.

For all of the above social media campaigns, AWG executes campaigns that attracts attention and inspires action. Our talented social media writers compose conversational posts that engage your audience and match your brand's voice. Stay on the forefront of your followers' minds with an exciting social media campaign from AWG!

Specific Ad Campaign Results:

Client A: Luxury Apartments in Long Island

AWG created a "Local Photo Post" campaign. Each week we would post a local photo of familiar places on the island. AWG would take location photos for the client. Here is an example of one of the more popular posts:

- "Sunset Over Lake" photo: 3,523 likes, 196 Shares, 120 Comments

Client B: Luxury Car Dealership in Nassau County

AWG created a campaign to feature striking images of new cars on the lot. It turned out to be a very popular photo posting campaign.

- 2015 Gray Sports Car photo: 616 likes, 47 shares, 28 comments

Client C: Natural Health Products

Product-specific ads were designed to get audience interaction and website traffic. Two examples of product specific ads that had a robust social response were:

- Product Ad #1: 75 likes, 5 comments, 26 shares
- Product Ad #2: 102 likes, 3 comments, 7 shares
